

All that Happens in 2 Short Months

It's all here in the pages of these bulletins: the life of a solitary New Jersey church. It exists because of 63 years of faithful work through good times and bad, ups and downs...

So, 100 homeless people are fed, our young men preach, the ladies retreat to focus on Christ, another baby is born, a church retreat brings new visitors, preparations are made for VBS outreach, High School graduates are celebrated, mothers and fathers honored, a family man finally secures a job, young people go on mission trips, new Deacons come forward, our brother Clarence Carter passes away, eight people place membership, and we go door-to-door in our community to invite people to church.

All this activity emanates from sincere hearts in love with Christ. Christ who walks among the lampstands of his churches notices each detail with intense loving interest (*Rev. 2:1*). Other people's family pictures may be boring but not your own. So we are his family and he cares deeply. He knows everything from each hair on our head to each cup of cold water given. Christ reads our bulletins. Love sees the details.

Regardless of what is done in our fallen culture, we belong to him first, we are loved, and we have nothing to fear. He made us, he redeemed us, and he will never let us go. Rest assured!

Keep praying and God will show you the way forward.
