

WHO Would Jesus Vote For?

Proverbs 21:1-3

“The king's heart is in the hand of the LORD; he directs it like a watercourse wherever he pleases. All a man's ways seem right to him, but the LORD weighs the heart. To do what is right and just is more acceptable than sacrifice.”

Politics are going to be in the news and in our face for the next 7 months. Christian, keep your cool. Be careful of your words. Don't blast your testimony for the sake of blowing off steam about politics. Mouthing off doesn't change anything and smears only you. Represent Jesus. We can pray for our nation, just as many Christians did this past Thursday on the National Day of Prayer.

Today the majority of Americans feel the country is on the wrong track. We can gripe about that or we can pray. We can vote, we can make our society better by serving others, we can be peacemakers. We can be kind as we stand for right as our conscience directs. Most of all we need to notch it down because our ultimate hope isn't salvation through politics but salvation through Christ.

Everyone has political opinions, but what is most rare are people who do what is right and just regardless of how ugly the world around them may get. Proverbs tells us that is what is most important to the Lord. And as amazing as it may seem, the LORD has our leaders in his hands anyway.
