

Our Teens Talk about Their WINTERFEST Trip

Logan McEntire: I went to Winterfest because I love spending the weekend with the youth group.

Nick Ceraso: I go to Winterfest because it is a great way to spend some time with my friends from my church, meet new people, learn new things about Jesus, and have fun in general.

Jonathan Cook: I go to Winterfest because it is a great way to learn about God with great speakers and great singers. The atmosphere with thousands of Christians surrounding you praising God is something very special that you won't forget.

Bodie McEntire: I go to Winterset because it is very fun. The speakers are very good and the lessons learned from the topic that year are very important.

Thaleena Ly: I go to Winterfest because it gives you a chance to learn more about God and communicate with your friends from church. We get to enjoy some fun time while feeding our spirit. This year I became more outgoing because I went without my mom. I talked to more people. Plus, it's also an escape from school.

Jiony Colon: I went to Winterfest to discover what we as teens can do to praise the Lord in our own way and prepare us for a godly future with my future family and spread our Almighty Lord all over as much as I can. I went to Winterfest the last 4 years and including this year it's my 5th and last year. Being a Senior means it's time to spread God.

Kayla Stevens: I went to Winterfest because it gave me the chance to get closer to God than I ever have before and it gave me a new perspective on life.

Elizabeth Ceraso: I loved how the Elders that were there as chaperones prayed over the new Christians on stage.

God bless our teens!
